

1 Caludon Challenge 2021 0

The District challenges you to complete as many challenges out of the 100 as you can/want. There are 4 staged badges you are able to earn, depending on the amount of challenges you complete and you will receive the bottom piece for participating.

Bronze: 25
Silver: 50
Gold: 75
Platinum: 100

You will be required to send photo/video proof of challenge, or where heights or number of objects mentioned to your section leader. This is so they can keep a record of many challenges you have done.

Some tasks have links to show how task may be carried out but this is to say you have to do them that way.

If you have any questions on tasks are struggling to find ways to do them, please don't hesitate to message for some advice.

And now...
May the odds be ever in your favour.

Good luck or as they say in the arts, break a leg (but not literally!)

Disclaimer

This has been created by the 82nd scout group. Ideas have been taken from links shown, pinterest, taskmaster board game and some of Ruth's crazy brain ideas.

Tasks

1. Create a pair of shoes using items around your house (Using actual shoes is cheating) for an activity of your choosing
2. Paint a portrait of a family member using anything other than actual paint and an actual paintbrush
3. Stick the best thing to the ceiling. You have 10 minutes. By the end of the 10 minutes the item must be stuck to the ceiling hands free.
4. Make the most adorable thing from toilet paper.
5. Recreate a well-known painting using household objects
6. Design your own hot chocolate creation and give it a name. Write instructions on how to make it with a photo of the final product. Share with everyone else to try. These will then be added together to create the Caludon hot chocolate recipe book which then be sold to help raise fund for K22.
7. Make a snowman using fake snow. - <https://elfontheshelf.com/blog/making-snow/#:~:text=Start%20with%201%2F2%20cup,is%20very%20easy%20to%20mold.>
8. Make a hat using anything other than paper and cardboard.
9. Bake some cupcakes and decorate to represent a game you like to play.
10. See how many regular sized marshmallows you can fit in your mouth.
11. Collect an item which starts with each letter of your first name and surname.
12. Take a photo of a pea where the pea looks really big.
13. Find 10 sticks from around your local area.
14. Take a photo of you and family out on a walk.
15. Make an outfit out of items you find around your house. Actual clothes may not be used.
16. Make a sculpture out of a milk carton.
17. Try the Knecker flip.
18. Create your own chocolate bar and give it a name.
19. Throw a dry teabag into a mug from the furthest distance.
20. Build the highest tower possible using raw spaghetti and marshmallows. Make a note of the measurement.
21. Paint with a body part other than your hands
22. Move a piece of chocolate from your forehead to your mouth without dropping it and no hands
23. Sew a badge on your uniform or blanket
24. Make a dreamcatcher
25. Keep your room clean and tidy for a week.
26. Cook a meal for everyone at home with adult supervision.
27. Read a book
28. See how many silly faces you can make in 1 minute
29. Hop on one leg for one minute while patting your head and rubbing your belly
30. Make a shadow puppet story.
31. How many stones/pebbles can you balance on top of each other.

32. Make a chatterbox - <https://www.cleverpatch.com.au/ideas/by-product-type/paper-and-card/chatterbox>
