Due to the virus we are stopping all scouting meetings and activities; instead of stopping scouting all together, this is a pack that your group can participate in at home to keep the scouting spirit going, your group can deliver these activities any form you like, these are activities that will have to be adapted and made their own, during which these will all mark of badges and will still go toward awards for when we come back to scouting, hope you all enjoy doing these activities in the best possible way you can, we would like picture video and diaries to see the wonderful work you guys have done 😊

Below you will find an image of the badges that can be awarded in the Cub Scout section. Some of the activities that are in this pack will cover some of the criteria for the badges. Please stay safe while doing these at home and most importantly have fun 😊
